Hau Ngo

Detail-oriented Software Engineer looking for a new opportunity where I can continue to expand my skills and experiences. I have a clear understanding of JavaScript and Python and am continuing training in data structures and algorithms. Motivated to learn, grow and excel in the tech industry.

Experience

2021-03 - 2022-03

Software Engineering Fellow

Springboard
- 700+ hours of hands-on course material, with 1:1 industry expert mentor oversight, and completion of 4 in-depth portfolio projects. Mastered skills in front-end web development, back-end web development, databases, and data structures and algorithms

2018-01 - 2020-10

Marketing Administrative Assistant

Axoscape, Houston, TX
- Leveraged strong understanding of WordPress core to manipulate admin and theme components
- Assisted production team in building Revit models
- Managed content distribution to online channels and social media platforms

2016-10 - 2017-03

Vendor Manager

Trans-Pacific Partners, Ho Chi Minh City, Vietnam
- Tracked vendor performance to maximize profitability and achieve financial milestones
- Organized property maintenance services to customer locations
- Utilized effective time management skills to complete tasks on schedule

2016-01 - 2016-10

Program Assistant

Loyola University Of Chicago - Vietnam Center, Ho Chi Minh City, Vietnam
- Supported in planning Loyola University Chicago's Study Abroad program and associated activities.
- Assisted 25-30 undergraduate students and their cultural partners each semester who participated in the program
- Recorded expenses and maintained accounting records

Education

2011 - 2015

Bachelor's Degree in English with a Concentration in Business

HCMC Open University - Ho Chi Minh City, Vietnam
